Bruce gave an update on the web site. The committee is working with Dynamic 14 to get the site up and running. Bruce estimates the web site is approximately 85% complete. Dynamic 14 is looking for any pictures the VBA members may have to put on the site.

The annual Golf Tournament was Friday, June 2<sup>nd</sup> at the Geneva Golf Course. 94 golfers participated in the tournament. Revenue was up from last year and we are waiting on the invoices to come in before a final tally can be made.

The Home Tour is August 26 & 27. The committee is in the process of finding home sponsors and advertising sponsors. At present only three homes are in the tour. More are needed and an effort will be made to add more to the list. The advertising is starting to come in with a June 20<sup>th</sup> deadline so work can be sent to the printer.
